About SigmaBroadband Co.

SigmaBroadband Co. is a registered Georgia Corporation and is engaged in providing voice, data and digital video as a Triple Play bundled service to the rural markets in the United States of America. We plan to offer our customers traditional cable video programming, internet services, telephone service, cloud-based service, IPTV as well as advanced video services such as on demand, high definition (“HD”) television and Digital Video Recording (“DVR”) service.

SigmaBroadband Co. sets to grow exponentially through strategic acquisitions of like kind businesses in the Technology sectors and other Developmental Stage Companies. To reach our goals, we will actively invest in our network and operations in order to improve the quality and value of the products that we offer. SigmaBroadband Co. intends to expand into new markets by aggressively seeking candidates for mergers and acquisitions. Pending the availability of additional financing, it is anticipated that Sigma can increase its budget requirements and continue to grow in its industry.

SigmaBroadband Co. is also in negotiations with certain medical companies that are using technology to improve efficiency and the treatment of patients.

SigmaBroadband Co. is also in negotiations with a certain company that’s a SaaS (Software as a Service) that connects doctors to vendors at no cost to the doctor or medical practice. To SigmaBroadband’s knowledge, no other software like theirs exist in the world.

Our core purpose is to further human progress through technology, and nowhere is this opportunity more apparent than amid the 4th Industrial Revolution. We believe humanity is always at its best when it produces innovative technologies that advance the ways we live and work.

In support of this purpose, our mission is to deliver amazing customer experiences with networking, cloud and security solutions that power next-gen business applications. We aim to democratize complex and cutting-edge technologies and deliver simple solutions, so our customers can focus on innovation, not their IT.

Our philosophy of continuous improvement means we tirelessly pursue exceptional outcomes for our customers, partners and team. And we do all this while boldly embracing change with a daring spirit to excite and inspire our customers to imagine new possibilities.

We are SigmaBroadband Co.
